## Xtratuf Women's 6" Ankle Deck Boots Sport Olive

The all-new Sport Boot brings you everything you would expect from your XTRATUF boots but in a silhouette that is up to 30% lighter than other 6" boots.

Super flexible with a breathable mesh lining to keep your feet cool, it provides the comfort and agility of trainers with long cushion life and high energy return.

Built from high-performance Prolite foam, they are ultra-durable and slip-resistant, all while being a one-piece outsole.

Styled with eye catching contrasting detail, a practical choice for wet & slidy terrain including most activities on or near the water.

UK Sizes: 5 - 8. Half sizes order up.
