Description

Betacraft Husk Anorak Carbon

On days when your full-on rainwear is too much and regular fleece products are not enough, Betacraft has the solution for you.

Husk garments are constructed from a water resistant, polyester bonded softshell with a TPU membrane and fleece liner.

Featuring water resistant zips, removeable hood and cropped sleeves, the stretch fabric makes for a comfortable fit and allows you to work with ease.

UK Sizes: M - XL.

Lifetime Guarantee against manufacturing faults.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
