## Harkila Pro Hunter Ridge 2.0 GTX Leather Boots Dark Brown

The Pro Hunter Ridge boots weighs in at a mere 770 grams per boot with a tall 11" shaft and a standard width last.

An improved version of Harkila's very hardest wearing hunting boots, they are extremely comfortable and have a medium-stiff sole Vibram® Campus, which ensures good grip.

Stand out features include a fully waterproof GORE-TEX membrane and shock-absorbing midsole to aid long-distance walking, even on very rugged ground.

Finished with a steel eye for attaching gaiters and to prevent wear on the laces.

Whether hunting or out trekking, a durable performance boot that won't bog you down.

Shoe Sizes: 40 - 45.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
