Our Price: £120

Description

Milwaukee M12-18 Super Charger

- The charger for REDLITHIUM™ HIGH OUTPUT™ batteries charges up to 4 times faster than a standard charger, significantly reducing downtime and maximizing productivity.
- It offers a fast charge with a maximum of 13.5 Ah Amps.
- The M18™ HIGH OUTPUT™ 12.0 Ah battery is fully charged in just 60 minutes, the 8.0 Ah battery in 45 minutes, and the 5.5 Ah battery in 35 minutes.
- The charger recharges in sequence, meaning the first battery in is the first to charge, which minimizes the time needed to manage charging cycles.
- With REDLINK™ intelligence, the charger communicates with the battery pack to ensure optimal performance and extend battery life.
- It is compatible with the complete M12™ and M18™ systems.

Looking for Milwaukee batteries? We also sell the M12 2.0AH, M18 High output 8.0AH & 5.0AH

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
