## Britains Kane Tri-Axel Halfpipe Silage Trailer 1:32 Scale

Built from strong metal and durable plastic parts, this trailer is ready for indoor and outdoor play and perfect for kids who love farming fun!

With a special steering axle, it turns easily, even in tight spaces, making it great for all kinds of adventures.

Works with most Britains 1:32 tractors, so you can hitch it up to the ones you already have in your collection.

Whether you're loading silage or imagining big farm jobs, it's suitable for all aged 3 and up who want to explore the world of farming!

Like this Kane Silage Trailer? Discover our extensive range of high-quality scale **Models**, perfect for collectors and farming enthusiasts alike!

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
