### Description

#### Britains Case Large Baler LB434 XL 1:32 Scale

Capturing all the details of the real McCoy, this latest addition comes complete with 3 large green bales making it the perfect addition to any farm setup.

Crafted from high-quality diecast metal and precision-moulded plastic, the baler ejects bales from the rear by turning the ejector wheel and can easily be hitched to most Britains 1:32 scale tractors.

Built for durability, it's suitable for indoor and outdoor play and all it needs now is a tractor to give any young farmer an authentic feel.

Ideal for kids aged 3+ and collectors alike.
