## Description

### Joules Foxton Neoprene Lined Ankle Boots Navy Blue

Ideal for gardening or woodland walks, the Foxton short wellies are designed with comfort and practicality in mind.

Made from durable matte-effect rubber, they keep your feet dry, while the soft neoprene lining in a heritage check print adds flexibility and style.

The water-dispersing outsole ensures superior grip on challenging terrain, and convenient pull tabs at the front and back make them easy to slip on and off.

Perfect for wet weather, these wellies are a reliable and stylish choice for outdoor adventures.

UK Sizes: 3 - 8.

Check out these super cute short wellies or alternatively explore our extensive [Footwear](#) collection for every occasion this season.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
