## Description

### Portwest S547 Ultrasonic Heated Tunnel Jacket Black

Made with PFAS-free Texpel™ Splash Eco fabric and embedded with carbon fibre heated panels, this innovative jacket combines eco-conscious design with ultimate cold-weather comfort.

Water beads off effortlessly, while heat-sealed seams deliver exceptional wind and water resistance. The lightweight InsulatexPro lining provides superior warmth without added bulk, ensuring all-day comfort.

Practical details include three zipped pockets for secure storage, a durable and easy-to-recharge battery pack with a micro USB cable, elasticated cuffs, and a drawcord-adjustable hem for a snug fit.

Three heat settings and up to 10 hours of warmth, this jacket is your ideal companion for staying cosy and dry in any weather.

Easy to load, durable battery pack & Micro USB charging cable included.

Sizes: Medium - XXL.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
