## Description

### ICL AccuPro 360ST Professional Rotary Fertiliser & Spreader

The AccuPro 360ST is a professional-grade rotary spreader, equipped with innovative SmartSpread™ technology for accurate and efficient fertiliser application.

Specifically designed for use with ICL professional turf management products, this spreader boasts a durable stainless-steel frame, a maintenance-free gearbox, and a high-capacity 30kg hopper.

Key features include pneumatic tyres for smooth manoeuvrability, an ergonomic handle for comfortable operation, and a removable rain cover to protect materials in adverse weather.

For best results use with other **ICL** products in the range
