Description

ICL Landscaper Pro Spring & Summer 5kg

A premium quality, control release lawn fertiliser; perfectly suited for spring & summer or just summer application.

The product is formulated to give a strong immediate response, combined with up to 3 months longevity.

Landscaper Pro uses the same proven technology tried and trusted by groundsman and greenkeepers at many high profile venues throughout the UK and Ireland.

Application rate: 25 – 35g/m².

Pack Coverage: 143m² - 200m².

For an even, all round spread pattern, we thoroughly recommend the ICL AccuPro One Rotary Fertiliser & Seed Spreader.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
