Description

Joules Lulworth Sand Funnel Neck Fleece

Crafted from supremely soft fabric, this fleece sweatshirt is a dream to wear. The relaxed fit ensures plenty of room for layering, making it a versatile addition to your wardrobe.

The placket with popper fastenings allows you to customise your look – wear it closed for extra warmth or open for a more casual style.

Thoughtful details include side welt pockets for practicality, Joules embroidery on the outer back neck, and contrast woven binding on the neck, placket, and cuffs for a refined finish.

Perfect for keeping cosy without compromising on style.
