## Joules Parkfield Lace-Up Neutral Trainers

Offering all-day comfort and style, the updated Parkfield trainers are your go-to for weekend adventures.

Featuring a breathable mesh lining and a chunky midsole, they're designed to keep you comfortable, however the day unfolds.

The uppers combine a mix of mesh, faux leather, and faux suede in complementary hues, adding texture and interest to any outfit.

A classic lace-up system and a faux suede branded tongue ensure a secure fit, while the ridged rubber outsole provides excellent grip.

Additional features include a webbing pull tab at the heel for easy on-and-off and debossed Joules branding on the uppers for a signature touch.

UK Sizes: 3 - 8.

Like these new season Parkfield Trainers? Why not browse more styles in our extensive [Ladies Footwear](#) collections.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
