Description

Treksta Winchester 8" Boa GTX Hunting Boot

Designed for the outdoors, these boots combine durability, comfort, and advanced technology to tackle any terrain with confidence.

Constructed from high-quality Nubuck leather, they feature a GORE-TEX® membrane for 100% waterproof protection and breathability, ensuring your feet stay dry and comfortable in all conditions.

The Hypergrip soles provide exceptional traction on all surfaces, giving you stability and confidence with every step.

The Boa® Closure System offers a secure, custom fit with smooth, pressure-free adjustment, allowing for quick on and off when time matters.

Meanwhile, NestFIT technology ensures the boots mould perfectly to the shape of your foot, providing a uniquely comfortable fit. The spacious toe box allows for natural movement, improved balance, and reduced fatigue over long distances.

Ideal for hunting, trekking, and outdoor adventures, these boots are built for those who demand performance, comfort, and reliability.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
