Amblers AS258 S3 Birch Safety Lace-Up Boot Black

This updated classic safety boot offers durability, comfort, and protection.

Featuring a water-resistant leather upper, steel toe, steel midsole, and a dual-density PU outsole, it's built for tough environments while ensuring all-day comfort.

The padded mesh collar and tongue enhance breathability, while sturdy metal D-rings and hooks provide a secure fit.

A removable EVA footbed adds cushioning, and the injected PU midsole offers increased protection.

The raised heel improves stability and energy absorption, while the cleated outsole ensures superior grip on various surfaces.

UK Sizes: 6-12.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.
