Amblers AS241 Waterproof S3 SRC Safety Lace Up Boots Black

Designed for durability and comfort, this fully waterproof safety boot is perfect for outdoor work.

Featuring a steel toe cap, steel midsole, and a dual-density PU outsole, it provides essential protection in tough environments.

The water-resistant leather upper is complemented by a deep padded breathable mesh collar for enhanced comfort.

Sturdy metal hooks ensure a secure fit, while the removable cushioned PU footbed with arch support offers all-day comfort.

For added durability, it includes an injected PU scuff cap, ideal for tasks that involve kneeling.

The raised PU midsole provides increased protection, while the raised heel enhances stability and energy absorption.

A cleated outsole with ladder grip lines ensures excellent traction, even at heights.

UK Sizes: 7-12.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
