Create rich, flavourful paella or perfectly seared fish with the Outback Paella/Skillet Pan.

Designed for use with Outback barbecues, this pan makes outdoor cooking even more versatile.

Simply remove the central grill and replace it with the paella/skillet pan. For immediate heat, take out the vapour bars and cook over a direct flame.

Caution: The carry handles will become extremely hot during cooking—always use heat-resistant gloves when lifting the pan on or off the BBQ.

Compatible with all Outback barbecues featuring the Multi Cooking Surface system, this pan is an essential addition for expanding your grilling experience.
