Description

Outback Jupiter Stainless Steel 6 Burner Hybrid BBQ with Chopping Board

The Outback Jupiter 6 Burner Hybrid stands out among its rivals, offering versatility and superior performance.

Featuring four stainless steel burners and a stainless steel hood, it delivers powerful and consistent cooking results.

The hybrid function includes a charcoal basket, allowing you to cook with Outback Coconut Shell Briquettes for an authentic charcoal flavour, while using gas for effortless ignition.

Designed with the Multi-Cooking Surface system, the porcelain-coated cast iron grill can be swapped for a pizza stone, griddle, paella/skillet pan, or other Outback MCS accessories, expanding your cooking possibilities.

Additional features include a side burner, side table with a removable wooden chopping board, tool rack, temperature gauge, single-layer drip tray, warming rack, integral spark ignition, and a magnetic bottle opener.

Supplied with a hose and propane regulator, the Jupiter 4 Burner is the ultimate outdoor cooking station.

Overall dimensions: 1540 × 610 × 1220mm.

Cooking area: 780 x 420mm.

Supplied with hose and propane regulator.

For authentic charcoal grilling, we thoroughly recommend Outback Hot Rucks or Outback Coconut Shell Briquettes.

Available for Click & Collect, Courier or local Home delivery so all you need to do is organise the Gas & Food!

We are an authorised Outback dealer and can provide full service back up for your equipment.
