Description

Stihl GTA 40 Cordless Pruner – with 2x AS 2 battery and AL 5-2 charger

SH-GA040116917

GTA 40 Cordless Pruner with 2x AS 2 battery and AL 5-2 charger: for professionals in tree and shrub care

The STIHL GTA 40 is the first dedicated battery-powered pruner designed for professional use. As part of the AS System, it operates with 2x AS 2 lithium-ion batteries, offering exceptional performance both on the ground and at height*.

Designed for Professionals

Ideal for tree and shrub care, horticulture and landscaping, as well as wood processing on construction sites, the GTA 40 is also perfect for tree canopy work and crown reduction tasks.

Powerful & Precise Cutting

- Equipped with an **EC motor** and a **¼" PM3 saw chain**, delivering clean and precise cuts.
- **Variable chain speed** provides full control over cutting performance.
- **Side-mounted chain tensioning** and **automatic chain lubrication** ensure smooth operation.

Ergonomic & Practical

- **Soft rubberised handle** and **upper grip** enhance comfort and grip stability.
- **Claw-shaped deflector** separates the upper grip from the cutting attachment for added safety.
- Designed for **two-handed operation**, suitable for both **left and right-handed users** with dual-sided rocker control.
- **Attachment ring** allows easy hooking onto a belt for quick access.
- Compatible with the **GTA 40 holster** for convenient carrying during work.

Smart Battery Management

- **Uses 2x AS 2 batteries - included**, which discharge in parallel – the tool cannot operate with just one battery.
- **Charge level indicator** is positioned on top of the tool for easy visibility.

*Always follow safety guidelines when using at height.

We are an authorised [Stihl](#) dealer and can provide full service back up and maintenance for your Stihl equipment.
