Description

Husqvarna Aspire™ T28-P4A Trimmer with Battery & Charger

HV-BCT28-P4AKIT1

The Husqvarna Aspire™ T28-P4A is an 18V battery-powered grass trimmer designed for efficient lawn maintenance, especially in tight spaces. Its compact design and included storage hook make it ideal for users with limited storage.

Key Features:

- **Adjustable Design:** The loop handle and telescopic shaft can be tailored to suit various user heights and preferences, ensuring a comfortable working position.
- **Automatic Line Feed:** Equipped with an auto-feed mechanism, the trimmer ensures the optimal line length is maintained during operation, enhancing efficiency.
- **Dual Trimmer Line:** The dual-line system allows for precise and efficient trimming, resulting in well-manicured lawn edges.
- **Metal Plant Guard:** A built-in plant guard protects flower beds and trees from accidental damage during trimming.
- **Safety Features:** The trimmer includes an automatic shutdown function, which activates when the tool is left unattended, promoting user safety.
- **Compact Storage:** Designed with limited space in mind, the trimmer comes with a tailor-made storage hook, facilitating easy wall mounting.

Battery Compatibility:

The Aspire™ T28-P4A is part of the POWER FOR ALL ALLIANCE, meaning its 18V battery is compatible with various tools across multiple brands, including Bosch and Gardena. This offers users flexibility and reduces the need for multiple batteries.

Kit Options:

- **With 2.5Ah Battery and Charger:** Provides approximately 25 minutes of runtime, suitable for small to medium-sized gardens.
- **Kit include the necessary battery and charger, ensuring users have everything needed to start trimming immediately.**

Specifications:

- **Battery Voltage:** 18 V
- **Cutting Width:** 28 cm
- **Weight (excluding battery):** 2.6 kg
- **Sound Pressure Level at Operator's Ear:** 73 dB(A)
- **Vibration Level (front handle):** 2.26 m/s²

t performance, making it a practical choice for homeowners seeking a reliable garden tool.
