Description

HTA 50 Cordless Pole Pruner: Domestic cordless pole pruner with a 25 cm / 10" bar length

STIHL HTA 50 Cordless Pole Pruner – Lightweight & High-Performance

The STIHL HTA 50 is a lightweight cordless pole pruner designed for efficient tree maintenance in medium to large gardens. As part of the AK System, it features a 1/4" P – PM3 saw chain and a Rollomatic E Mini guide bar, ensuring precise and high-quality cuts.

Key Features:

- **Side-mounted chain tensioning** for quick and safe adjustments
- **Branch hook** for easy removal of small cuttings from the tree canopy
- **Semi-transparent oil tank** for effortless oil level checks
- **Ergonomic control unit** for comfortable handling
- **Detachable shaft** for convenient transport and compact storage

Important Notes:

- Not compatible with **Kombi attachments, HLA 56 hedge cutting head, RTS harness, or HLA 56 shaft extension.**

Performance:

- Recommended with the **AK 20 battery**, offering up to **45 minutes of runtime** or approximately **170 cuts (10x10 cm timber)** per charge.

Please note: The exterior design of STIHL guide bars may vary, but technical specifications remain unchanged.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.
