

# Doff Lightweight Multi-Purpose Expanding Compost

31-39670

Our Price: £7.99

## Description

### Doff Lightweight Multi-Purpose Expanding Compost

This lightweight Multi-Purpose Compost is a premium growing medium designed for optimal plant growth in both wet and dry conditions.

It absorbs moisture many times its own weight, ensuring nutrients are retained even in arid spells, helping plants flourish for longer.

This 100% peat-free compost is made from fully sustainable sources, containing no green waste and enriched with essential nutrients for healthy plant development.

Ideal for indoor and outdoor use, it's clean, reusable, and eco-friendly.

One bag expands to 15 litres of high-quality compost, equivalent to two standard bags, making it a lightweight and space-saving solution for all your gardening needs.

Product dimensions: 40 x 20 x 80cm. 1.02kg.

With a full range of products to help you create your perfect garden, why not browse our huge Garden Collection today.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
