

# Noramax Agri Non Safety Wellington Boots Green

20-10476P

Our Price: £49.96

## Description

### Noramax Agri Non Safety Wellington Boot Green

Designed for maximum comfort and durability, these boots boast an extra-wide fit, an anatomically shaped foot last, and an ergonomically designed upper, ensuring a natural, supportive fit for all-day wear.

Crafted from Polyurethane, which contains millions of tiny air bubbles making the boots lightweight with excellent thermal insulation, they remain flexible in temperatures as low as -50°C and offer high resistance to petrol, oils, animal fats, alkalis, chemicals, acids, and cleaning agents, ensuring long-lasting durability.

With an antibacterial lining and an SRC-rated slip-resistant outsole, these boots provide exceptional grip and hygiene, even in demanding conditions.

The replaceable inner sole adds to the comfort, while the self-cleaning, dirt-repellent outsole keeps maintenance effortless.

Ensuring long-lasting protection, comfort, and performance, a reliable choice for Agricultural, Industrial and other tough work settings.

UK sizes: 7 - 11.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
