## Rydale Danby Men's Long Performance Shooting Smock Olive

Crafted for the countryman, the Danby Shooting Smock blends classic style with practical performance.

Its waterproof design keeps you dry in all weather, while the relaxed fit and side zips offer great freedom of movement.

Purposefully designed, it features a 2-ply waterproof construction, a brushed polyester outer which is quiet and rustle-free—ideal for hunting, beating, or stalking.

Breathable mesh lining ensures comfort across changing conditions, keeping you cool during activity and insulated when it counts.

A detachable hood with a built-in metal rod allows for a custom-shaped peak, while a hidden waist draw cord helps adjust the fit.

With zipped handwarmer and storage pockets, plus a mid-thigh length design for added protection, this smock is field-tested and ready for anything.

UK Sizes: S - XL.

Composition: 100% Polyester.

Care: Wash @40°C Max.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
