## Rydale Danby Ladies Long Performance Shooting Smock Olive

When it comes to shooting, you need a jacket that's tough, reliable, and built to handle the worst of British weather. The Ladies' Danby Smock delivers exactly that — with added length for extra protection, from April showers to storm-force gales.

Designed specifically for shooting, it features a 2-ply waterproof construction and a brushed polyester outer made from quiet, rustle-free fabric — ideal for hunting, beating, or stalking.

A breathable mesh lining encourages airflow and temperature control, keeping you comfortable all day long. Two chest hand-warmer pockets and two lower pockets offer plenty of space for your shooting essentials.

Extra details include a drawstring hood with a discreet stitched-in metal rod, allowing you to shape a protective peak, as well as a quarter-button front and adjustable drawstring waist for a personalised fit.

Practical, stylish, and field-tested — the Danby Smock has you covered, whatever the weather throws your way.

UK Sizes: 08 - 18.

Composition: 100% Polyester.

Care: Wash @40°C Max.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
