Description

Ward GN332 Ecomax 220 Litres Compost Bin Black

The Ecomax Compost Bin is a practical and eco-friendly solution for turning kitchen and garden waste into nutrient-rich compost.

With a generous 220-litre capacity, it's ideal for everyday use, while the durable, weather-resistant construction ensures long-lasting performance in all seasons.

A lockable lid helps retain heat and keep pests out, and the sliding hatch door allows easy access to finished compost.

Made from recycled materials, it supports sustainable gardening and fits neatly into most outdoor spaces—perfect for gardeners of all experience levels.

Dimensions: 86cm (H) x 76cm (W) x 72cm (D).

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
