Description

Chrome Cool Fresh Charge Aerosol Air Freshener 500ml

Cool Fresh Charge is a highly perfumed air freshener and odour eliminator, expertly formulated to neutralise unpleasant smells and leave behind a long-lasting fresh scent.

With its high-discharge valve and actuator system, it's designed to fragrance large areas quickly and effectively.

Ideal for cars, workshops, offices or home use, this powerful spray freshens the air instantly.

Due to its strength, we recommend spraying a small amount into the room and leaving it unattended briefly to allow the fragrance to settle and mellow.
