Description

Tom Chambers Premium Peanuts 1.8kg

Premium Whole Peanuts are a high-quality, energy-rich food source, carefully selected to support wild birds throughout the seasons.

Packed with protein and essential oils, they provide vital nourishment during nesting, moulting, and colder months.

Perfect for use in a mesh peanut feeder, they're a favourite of tits, nuthatches, woodpeckers, and many more garden visitors.

Supplied in an extra value pack for regular feeders, and packaged in recyclable materials, these peanuts are as kind to nature as they are nutritious.
