

Our Price: £146.4

Description

This extremely light and handy electric hedge trimmer is ideal for quiet trimming and cutting of hedges and bushes around the garden. Thanks to a high blade speed and generous tooth spacing, this new hedge trimmer cuts smoothly and efficiently. Two-handed switch control with trigger lock for safe use. Its low weight ensures you can cut for extended periods, whilst its new design wrap-around front handle makes swapping from vertical to horizontal cutting a breeze. The blade tip protector on the HSE 52 protects the blade when working near the ground. GB version comes with 10m cable as standard.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
