

## Description

## Silky Zubat 3900 Pole Saw

Lightweight, professional-grade aluminium telescoping pole saw. The aluminum alloy extension poles are oval shaped, providing precise control over the direction of the blade (especially important for high cutting) thus reducing bending to the minimum. The base pole has a pole-end shock absorber and comfortable rubberized over grip. The 13-inch impulse-hardened curved blade utilizes proprietary Silky Smooth Cutting Technology.

## **Contact us**

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
