Description

Hozelock 30m Ultraflex Hose 7730

The Hozelock 30m Ultraflex hose 7730 provides the most flexibility from a hose and offers the following: A 20 year guarantee to provide piece of mind that this hose is built to last. It incorporates anti-kink and no twist technology meaning your hose will never fail to bounce right back into shape and previous tangles will be a thing of the past. 5 layer knitted reinforced structure for durability and desired flexibility as well as the added flexibility allows this hose to easily rewind and manoeuvre for storage, making it a joy to handle in the garden.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
