Description

IAE Galvanised 457mm Cattle Water Trough

**** Service Box not included but can be purchased separately.**

The IAE Cattle Water Troughs are available in a variety of lengths ranging from 610mm (2ft) - 2400mm(8ft) and thus ideal for both small holdings & large farms.

Manufactured from galvanised metal, this hardy trough can hold between 112 to 436 litres depending on size and includes drain plug and bung as standard.

Dimensions: 457mm Wide | 405mm Height.

Due to increasing popularity as Garden Planters, we can now deliver 2ft, 3ft & 4ft Troughs to mainland UK (excluding the Highlands, Islands & Congestion Charging Zones) for a flat rate of £48.00.

Due to size 6ft & 8ft Troughs must be C&C or Local Branch Delivery only.

Weights: 2ft (18kg), 3ft (24kg), 4ft (30kg), 6ft (42kg), 8ft (55kg).

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
