Description

Cooper Pegler CP3 2000 Series Professional Knapsack Sprayer 20L

With its unique ergonomic design and built to fulfil international standards, the 2000 series is the most comfortable, safe and capable piston pump knapsack sprayer with a wide pressure range.

The non-corrosive polypropylene tank has no openings below the liquid level, substantially reducing the chance of user contamination and comes equipped with high capacity strainer in the lid and fine mesh filter within the trigger assembly to prevent blockages.

Comprising of few parts, the sprayer can be quickly dismantled for cleaning and maintenance without the use of tools and stored away efficiently using the lance holder.

Versatile for a number of business sectors such as horticulture, agriculture, industrial & amenity, an essential land management tool for the Professional & Small Holder.

Weight Full: 24.5kg.
