Description

Toro HoverPro 500 Petrol Hover Mower

The Toro HoverPro 500 Petrol Hover Mower is ideal for using when mowing slopes or banks where four wheel lawn mowers are not suitable. The HoverPro 500 features a 160cc Honda petrol engine, 51cm (20 inch) cutting width with metal blade and lightweight but strong deck. This model is suitable for heavy duty commercial use. The Honda GCV petrol engine has been developed for the demands of continuous inclined use. Pumped fuel ensures fuel delivery on toughest inclined jobs. The Honda 'Dual Lube' dipper and cam belt oil transport system maintains lubrication for the most demanding slopes. Excellent power to weight ratio comparable to 2-stroke but with the advantages of 4-stroke.
