## Description

### Rolly 61106 Case Puma Pedal Tractor with Front Loader & Plastic Wheels

Just like the real thing, this Case Puma tractor has a front loader with manual levers to raise and lower the arm plus scoop or tip the bucket.

Suitable for children from approximately 3-8 years, the seat is adjustable and the bonnet opens for additional creative play.

Built for all weathers and whatever your child can throw at it, the front steering is equally as sturdy as the integral fixed wheel chain drive and heavy duty 12mm thick rear axle.

The pedals are anti-slip to cope with the most enthusiastic of feet whilst the eccentric chain tensioning system is a great source of exercise for little legs.

Overall dimensions: 142 x 53 x 81 cm.

Some assembly required.

Accessories can be added via the rear hitch pin.
