Description

Stihl HSA 45 Light Hedge Trimmer

Part of the AI Line, this very light cordless hedge trimmer has great cutting performance and is perfect for trimming branches in your home's outdoor spaces. The double-sided trimming blades are ideal for maintaining annual growth of up to 8mm in diameter.

The blades feature integrated cut protection and a tip protector to help protect against wear. The battery charge level can be easily seen at all times, so you know exactly when you need to charge your hedge trimmer. Weight: 2.3 kg. Battery charging time: 145 min/210 min (80%/100%). Run time up to 40 minutes.

Belonging to the AI Line and equipped with an integrated Lithium-Ion battery, the HSA 45 is incredibly straightforward to operate - just insert the activation key, turn it on, and begin. Its quiet operation allows you to tend to your garden without causing any disturbance. The sharp, precision-ground blades ensure a clean cut, enabling you to shape your hedges quickly and efficiently.
