## Description

### Stihl BGA 45 Cordless Blower

The **Stihl BGA 45** is an easily manoeuvrable cordless blower for cleaning small outdoor areas at home. With a round nozzle, an integrated battery with charge level indicator, the **BGA 45** also has a wall holder with charging function for practical storage whilst also charging the tool.

**Activation Key** - The tool can only be used with the activation key. If the key is removed, the tool switches off to guard against unintentional activation. The tool can be safely stored and transported.

**Compact and Ergonomic** - The integrated battery cells mean that the tool is optimally balanced. The BGA is easy to handle. Its streamlined design creates plenty of room for manoeuvre.

**Charge level indicator** - The remaining working or charging time can be viewed at any time by pressing the button. Four LEDs light up, or flash green or red, to indicate the charging state or problems.
