Campingaz Camp' Bistro 3 Portable Gas Stove 2200W

An all-round gas cooker, the Camp'Bistro 3 is the improved successor to the popular Camp'Bistro 2.

With 2,200 watts, bringing 1 litre of water to boil in just over 6 minutes, it has all the necessary power to conjure up delicious food, no matter where you are.

Extremely reliable, it features an integrated piezo ignition system, fully adjustable power, easy clean fixed pan support for additional stability and raised feet which lift it away from the surface it is standing on.

Also boasts a cartridge safety locking system for correct and safe cartridge insertion every time.

The stove is operated with the CP250 or GoSystem 2200 gas cartridge with an approximate runtime of 1h 20 min.

When not in use, the Camp'Bistro 3 can be safely stored in its own hard carry case manufactured from recycled plastic.

Dimensions (L x W x H cm): 34 x 28 x 13 cm. 1.6kg.
