Description

Honda Verastool Cultivator Attachment

Lighter and much easier to use than a dedicated tiller, this cultivator attachment fits to your Honda Versastool and allows you to maintain small vegetable patches and flower beds with ease. The durable Honda Verastool Cultivator Attachment attachment provides high torque for tackling compact soil. Its 20cm working width gives you accuracy in moving around beds, and makes tilling and aerating your soil easy.

We are an authorised **Honda Dealer** and can provide full service back up for your equipment. Check out other products in the range:
