Description

STV Selfset Strong Rat Bait Station

STV's Selfset is a tamper resistant bait station, with a allen key closure and ground anchors to make sure they're not getting away. Using this bait station ensures safe application of poison baits, so protect pets and non-target species. Easy to set-up and a durable design this has been constructed for use indoors and out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
