Description

Husqvarna Children's Battery Operated Toy Hedge Trimmer

Modelled on a full size Husqvarna Hedge Trimmer, this kids version mimics real trimmer sounds with a simulated back and forth cutting action (no cutting capacity).

The ideal gift to encourage children to step outdoors and help out with the bigger chores in the garden.

No stereotyping either as lightweight to handle so both girls & boys can show no job is too mighty for them; it may even persuade Mum & Dad to join in as well.

Suitable for children 3 and over.

3 AA batteries included.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
