Description

Honda WB20 Petrol Powered Water Pump

GX160 4-stroke engine pumps 500 litres a minute with 5 bar of pressure and 2 hours 30 minutes running time with protective frame. Designed for dealing with large volumes of water and moving it quickly. The general-purpose WB range is built with an abrasion-resistant cast iron Volute and impeller, providing extra durability for handling water containing certain amount of salt and silt and sand, such as on construction sites or in floodwater.

We are an authorised **Honda Dealer** and can provide full service back up for your equipment. Check out other products in the range:

Honda 435LE Strimmer Honda 536VK Walk behind mower Honda chainsaw Honda HF 2417HM Petrol Lawn Tractor

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
