Our Price: £645

Description

The next generation of Kombi engines now feature the updated 4-MIX engine. Simple to use, the KM 131 offers maximum versatility, powering several ground based attachments for property and garden maintenance.

Compact and easy to transport, this tool is perfect for professional contractors and maintenance teams.

The updated 4-MIX® engine features simplified starting, improved handling and larger fuel tank for improved run time.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
