Our Price: £4299

Description

A flexible and powerful rider with a high-torque twin-cylinder engine and optional 94cm or 103cm Combi cutting deck, offering first-class BioClip® (mulching) and rear ejection cutting. Suitable for home and landowners who require extra high efficiency, ease of use, superior manoeuvrability and a truly enjoyable ride.

Pedal-operated hydrostatic transmission, easy-access controls and automatic blade engagement. The R214T is delivered deckless and can be fitted with 94 and 103cm Combi cutting decks.

Combi Cutting Deck With BioClip (Mulching) - BioClip® (mulching) provides perhaps the best cutting result on the market on frequently cut areas. The grass is cut into fine pieces that quickly turn into fertiliser.

Service Position - Service position on the cutting deck facilitates cleaning and service.

Automatic Blade Engagement - The blades are engaged automatically, when you lower the cutting deck.

Unique Articulated Steering - The unique articulated steering system allows the rear pair of wheels to swing in underneath the machine. The result is superior manoeuvrability with a minimum turning radius at full lock.
