Portwest A812 Nitrosafe Plus Chemical Gauntlet

21-43133P

Description

Portwest A812 Nitrosafe Plus Chemical Gauntlet

More than just a nitrile gauntlet, the A812 is tested and certified to offer protection against many common chemicals found in industry today.

The anti-slip pattern offers high dexterity in wet and dry conditions. Ultra-sensitive and free of soluble proteins help minimise the risk of allergic reaction.

Lightweight 0.38mm thickness, these gloves are suitable for a broad range of industries, including industrial cleaning, laboratory work, light assembly, aerospace & the chemical industry.

CE-CAT III. CE foodsafe.

Sizes: 8/M, 9/L, 10/XL & 11/XXL.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
