Description

Karcher Petrol High Pressure Cleaner HD 7/15G

For maximum mobility and best cleaning results even under tough conditions, the HD 7/15 G petrol-driven cold water high-pressure cleaner with 150 bar pressure forms part of the Gasoline Advanced range.

With total independence from external power sources and a reliable Honda or Yanmar motor, the machine is able to suck up water from lakes or ponds and use it for cleaning making it a practical investment for construction, agriculture, industry and outdoor service providers.

Convenient to use, with quick set up and dismantling 5 x faster than conventional screw connections, this model is designed to cope with tough daily jobs and features a robust ergonomic frame, large water filter and thermostat valve to protect the pump from over-heating in recirculation mode.

Includes 840mm Spray Lance, EASY Force Advanced Trigger Gun for fatigue-free operation, 10m x Anti-Twist High Pressure Hose and Puncture Free Tyres.

Specification sheet available to download.
