Where you can buy with confidence

Our Price: £35

Description

ICL Landscaper Pro Autumn & Winter 15kg

2 FOR £60 (discount applied at checkout)

Landscaper Pro Autumn & Winter is a high impact controlled release fertiliser, perfectly suited for use in the later seasons.

Application results are a slow, steady growth that helps prevent stress during the cold winter months.

Using Autumn & Winter will help your turf begin Spring in good health and condition.

For an even, all round spread pattern, we thoroughly recommend the ICL AccuPro 1000 Rotary Fertiliser & Seed Spreader.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
