## Description

### Skee-Tex Ultra Light Weight Boot

Designed mainly for work and leisure such as fishing, angling, agriculture, farming etc, these super light Skee-Tex Boots protect against cold and wetness providing full isolation from the surface.

EVA footwear is extremely durable & water resistant whilst protecting against low temperatures and all boots have a removable lining with a stiffen insole in the form of a sock to allow easy removal for washing.

Skee-Tex Footwear is marked in European Sizes. Please see supplier size guide for reference.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
