Description

Spear & Jackson 4960RSA Razorsharp Small Folding Pruning Saw

Lightweight yet mighty, this neat little razorsharp Folding Pruning Saw features a 178mm (7") carbon steel blade which has been hollow ground for enhanced cutting performance and precision ground ultra sharp 7ppi teeth.

The blade can be locked in both open & closed positions and folds away easily at the touch of a button for safe storage and to protect the blade when not in use.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
