Description

Spear & Jackson 2LPAPS Pump Action Pressure Sprayer 2 Litre

Manually operated & easy to use, this Spear & Jackson Pump Action Pressure Sprayer has a 2L capacity and a translucent, frost proof body which has been clearly marked with graduations in both litres & gallons.

A pressure release valve is located on the shoulder of bottle which also includes a pictograph 'how to use' guide whilst an adjustable brass nozzle facilitates a wide range of output uses from spray to mist.

Ideal for the accurate filling or mixing with water and non viscous water based or soluble products such as pesticides, herbicides, insecticides, fungicides & fertilisers.

A lightweight and handy piece of portable kit to have in the shed for those small garden jobs where 'big brother' is too cumbersome and time consuming for the task in hand.
