Description

Spear & Jackson 4888HS Razorsharp Wishbone Handle Hedge Shears

These versatile Spear & Jackson Razorsharp Shears are a popular choice for the garden shed as ideal for trimming and shaping hedges, bushes and shrubs.

Featuring chrome plated 230mm (9 inch) carbon steel blades for strength, durability & rust resistance, a cutting notch has been incorporated in the design for ease of use on thicker stems.

Ergonomically shaped wishbone handles include shock absorbers and soft feel grips for ultimate comfort during use whilst a rotating wheel nut can adjust the blade tension to suit the cutting job in hand.

Like these Spear & Jackson Wishbone Handle Hedge Shears? Why not browse our comprehensive **Garden Pruners & Loppers** to help keep your garden in order whatever time of year.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
